HIGHLIGHTS

Amalgamated Bank funded this C-PACE transaction through FASTPACE.

- The \$3.27M C-PACE financing is the **first adjustable-rate financing** transacted in the Oklahoma County C-PACE Program.
- The transaction was awarded “**Most Innovative Deal of the Year**” by PACENation on the basis of the innovative execution and high-impact project profile.

THE PROJECT

Alley North Office is a ground-up development in Oklahoma’s historic “Automobile Alley.” It will be the state’s first multi-story mass timber office building and will help anchor a new mixed-use district. The building will serve as headquarters for C.H. Guernsey & Company, a leading diversified engineering, architectural, and consulting services firm.

The building’s construction will substitute mass timber for steel, which reduces embodied carbons and benefits the environment.
